

SPONSORING LCTES'2012 IN BEIJING

We are looking for industrial sponsors to support LCTES in Beijing. The LCTES community has had a significant impact on industrial practices and products. It is a major conference in the Embedded-Systems domain. It is the annual forum where engineers from industry and research exchange ideas and expertise on a variety of topics.

LCTES WILL HAVE THREE CATEGORIES OF SPONSORS

GOLD SPONSORS PAY US\$ 5000,

They will be namely associated with the conference dinner plus Silver and Bronze privileges and with 4 free passes to all of the conference events.

SILVER SPONSORS PAY US\$ 3000.

A stand may be offered for the sponsor to present his technology. Bronze privileges with 3 free registrations.

BRONZE SPONSORS PAY US\$ 2000

The logo of the sponsor appears on the web site, proceedings and all conferences materials. One free registration to the conference and tutorials.

Thank you for your consideration and support,

Reinhard Wilhelm
